HAPPY NEW YEAR!

Director's Message..... Well 2010 has arrived and with it a reminder that Riding season is really over for a while, but one good thing, the daylight hours are getting longer. A reminder that the Sunday brunch is 1030 at Tom's Family Restaurant, 585 Sackville Dr. Coming up in February, The Winter Blues Event. This will be held in Fredericton, NB February 19-21 at the Fredericton Inn. Event Information and registration information attached to this Newsletter. The Winter Blues are a weekend event and a good opportunity to meet Members from other Atlantic Chapters and since we can't ride there, the goal is to have fun which, shouldn't be a problem.

*Historian's
Corner*

This month's question. The first person to correctly answer the question by e-mail at eturner@accesswave.ca or for the paperback riders call 435-7058.

ET's trivia question...

The rise of the chopper..."A chopper is a radically customized motorcycle, archetypal examples are the customized Harley Davidson bikes seen in the 1969 film Easy Rider.

Can you tell me from which film, and the year, the following was taken from?
"Whose motorcycle is this?" "It's not a motorcycle, baby, it's a chopper."

Hint: Check out the "2009 Road book issue."
