As you read this myself and a number of other chapter members will be in Laconia, I hope everybody that goes has a safe and dry ride. June has been a busy month already with the Show & Shine (congratulations to all the winners), the start of the Sunday rides and Test Ride Days on the 18th. Speaking of the Sunday rides I went on the first one on June 7th. We had 24 bikes turn out and had a great ride to Tatamagouche for lunch and then back through the Wentworth Valley.

Only one month to the Rally and everything is coming together well, thanks to all the committee members and volunteers.

We've already had a couple of members involved in accidents this summer so I would like to remind everyone to take extra care while you're racking up those miles. And speaking of miles, remember to register your mileage with the Service Dept. at Privateers for a chance to win a set of tires at the Christmas party.

Some people have mentioned that they aren't getting newsletters or other email notices; the most common reason is an incorrect or missing email address. If you aren't receiving correspondence please send me an email lewis@eastlink.ca and asked to be added to the distribution list.
