Director's Message.....

As the riding season winds down, there are a few things to keep in mind. Firstly don't forget to get to Privateers service department before November 30th to record your ending mileage to be eligible for the tire draw at the Christmas party, secondly don't forget to pick up your Christmas party tickets at the shop or at the November meeting, only \$20 each. Thirdly, Sunday Brunch has started again, 10:30 Sunday mornings at the True North Diner in Bedford.

This December we will be electing a new executive. I encourage everyone to give serious thought to stepping forward to run for one of the positions. The members of the current executive have all given more than their fair share in making this one of the best run chapters in Canada. It is now time for some of the other 250 members to come forward. If we want to keep the momentum going we are all going to have to participate, not only in the events but in running the chapter. Please bear this in mind as we accept nominations and volunteers at the next meeting. Ride Safe, Steve

Christmas Party, Dinner & Dance:

Featuring "The Deadbeats", Friday, December 11th @ LeBrun Centre in Bedford. Doors open @6:00pm, Tickets will NOT be sold at the door. Sorry, No Refunds

Corner*

This month's question. The first person to correctly answer the question by e-mail at eturner@accesswave.ca or for the paperback riders call 435-7058.

ET's trivia question...

He found a Harley Davidson motorcycle with weeds growing in the wheels and tree branches in the gas tank behind an old barn. As it turns out this bike had seen action in Holland during World War 2. Who is he?

Hurry Greg is on the prowl!!

God bless...E.T
